SUPPLEMENTAL AMENDMENT

Sir:

Applicants hereby amend their application as follows:

IN THE CLAIMS

Applicants amend Claim 14 to read as follows:

14. (Amended) In a space-dividing wall panel having a frame that defines a periphery of said wall panel, said wall panel further including a glass panel which is supported on said frame, comprising the improvement wherein said glass panel comprises a sheet of glass having glass edges extending about the periphery thereof and opposite faces extending between said glass edges, said glass edges being arranged in substantially parallel edge pairs disposed on opposite sides of said glass, said glass panel further including an edge frame comprising a plurality of edge rails joined together which said edge frame is joined to said glass to support said glass edges, said glass edges of at least one of said edge pairs being supported within fixing channels defined within a corresponding pair of said edge rails, each said fixing channel extending parallel to a respective one of said glass edges and opening toward said respective glass edge to tightly receive said respective glass edge therein, each
